

Entertainment on Board A-ROSA

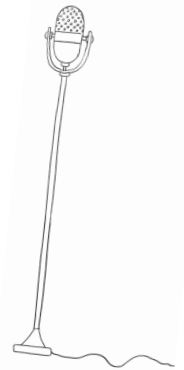

Our A-ROSA ships are built with entertainment in mind, with most ships featuring small stages, DJ booths, special lighting for live performances and plenty of room to dance. We pride ourselves on the diversity of our entertainment, ranging from up-and-coming singer-songwriters and seasoned tribute artists to cabaret and magicians. Every A-ROSA cruise is different, so guests can be surprised at what's in store for them every time. Let us give you a sneak peek!

ENTERTAINER ON BOARD

Most A-ROSA ships have an Entertainment Host on board who is responsible for our regular evening entertainment, as well as other daytime activities. Many of these born entertainers bring their own talents to the table, from singers and skilled musicians to mesmerizing magicians and dancers.

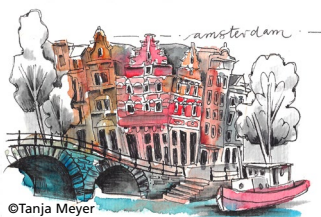

GUEST ARTISTS ON ALL CRUISES OF 7 NIGHTS OR MORE

A-ROSA's entertainment also includes a diverse lineup of guest artists. Our onboard talent promises unforgettable performances, whether it be music or magic. We offer a rich array of musical genres, including pop, jazz, folk, and rock, as well as musical theatre favourites. Depending on the itinerary, guests can experience musicians such as trumpeter Françoise Berody, violinist Tamas Seres, the Grandcelli Duo, a pair of cellists, or new tribute artists covering Elvis, Elton John and Billy Joel. At A-ROSA, we're also committed to nurturing new talent by providing a platform for budding singer-songwriters to showcase their original music in the intimate setting of the A-ROSA Lounge.

SPECIAL & EVENT CRUISES
