FAMILY CRUISES

A-ROSA offers Family Cruises on selected dates & itineraries (usually during key school holiday times). During these Family Cruises we have special offers for families on board, such as a Kids Club, family-centric excursions and more. Find an overview of all available Family Cruises here: www.arosa-cruises.com/why-a-rosa/family-cruises.

A-ROSA KIDS CLUB AT A GLANCE

- ✓ Qualified Kids' Club staff
- ✓ Varied entertainment and activity programme
- ✓ For children and teenagers between the ages of four and fifteen
- ✓ On selected dates throughout the season, as well as Christmas and New Year's Cruises

EXAMPLE PROGRAMME AT THE KIDS CLUB:

On **PIRATE DAY** children become real pirates for the day and do what pirates do – board ships and go on a treasure hunt.

In our **CREATIVE STUDIO** there's always something to do. Sometimes the kids get to paint their own bag, other times they get to make their own bracelets.

During a **MOCKTAIL WORKSHOP**, our bartenders will show the kids how to mix non-alcoholic cocktails, a real hit with older kids (10+).

NOTE: Kids Club with childcare is available on Family Cruises and all departures with more than 10 children on board (4 years and older). To check how many children are already booked on a particular sailing, please contact the A-ROSA Service Centre.

A-ROSA SENA KIDS CLUB

A-ROSA SENA is the first river cruise ship with a dedicated Kids Club, open all year. "The kids' club is a real treat for families. Decorated with nautical-themed artwork, the space is soft and inviting, with children reading, coloring, and building dens [...]."
- Kerry Spencer in [Travel + Leisure \(2024\)](#)

FAMILY-CENTRIC EXCURSIONS:

On our cruises the whole family can explore together, whether it's on their own or on a guided excursion with A-ROSA. To make sure that the whole family has a great time, we offer some exciting, fun and interactive excursions that are designed with families in mind. For example: 'Excursion to the Zoo of Lyon' on selected Rhône cruises, 'Miniature World Madurodam' on selected Rhine cruises or 'With the Children's Railway to the Budaer Hills' on selected Danube cruises.

TIP: To find out if there are any family orientated excursions available on a particular departure, ask for our excursion brochures. Or, if you're registered on the A-ROSA Extranet, you can easily find them in the 'Travel Documents' section of the 'Sales & Marketing' tab.

TERMS AND CONDITIONS

CHILDREN'S DISCOUNTS

Children up to 15 years of age travel free of charge on deck 1 when accompanied by at least one (two in Cat. G) supervising adult. From deck 2 onwards, children receive a 30 % discount. Furthermore, children up to 7 years of age accompanied by 2 supervising adults can use a sofa bed free of charge on the A-ROSA SENA in categories B - D. On the A-ROSA ALVA, children accompanied by at least one supervising adult receive a 30% discount across all cabin grades. The children's discount is only valid for the cruise itself. Limited availabilities on all cruises.

CHILDCARE DURING FAMILY CRUISES

Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH riverboats do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.

CHILDREN AT SPA-ROSA

Children may accompany their parents in SPA-ROSA. Any spa treatments for kids under 16 years old require the presence of an accompanying adult. The gym equipment may not be used by children younger than 16 years of age.

TRAVEL DOCUMENTS FOR CHILDREN

All children must have their own travel documents to cross borders into other countries, even when travelling to Schengen countries. In general, there is no passport control when crossing the border, but in some cases identity papers may be required. We recommend that you apply for your child's own travel document with your local passport authorities ahead of time.

CHILD CAR SEATS IN BUSESSES

In busses (over 3,5 t), there is no legal requirement to use a car seat. However, there must be a seat available for every child (regardless of age), and seat belts are compulsory. For safety reasons, we recommend that you bring your own infant/child safety seat, if your child can't yet sit on their own, so that you can secure your child with the lap seat belt.

LIMITATION OF LIABILITY

Parental supervision obligation/childcare: Supervision of any accompanying children remains the responsibility of their parents on all cruises with A-ROSA Flussschiff GmbH. This also applies if A-ROSA Flussschiff GmbH provides any childcare services as part of their programme. These programmes are designed to provide entertainment for the children. As the A-ROSA Flussschiff GmbH river cruise ships do not have any enclosed spaces for the purposes of supervision, A-ROSA Flussschiff GmbH is unable to guarantee uninterrupted supervision of the children.

Due care has been used in preparation of this document and A-ROSA makes every effort to provide accurate and up-to-date information. Nevertheless, this document may be subject to technical inaccuracies, information that is not up-to-date or typographical errors.
